## LETTER FROM THE PRESIDENT

Hopefully you were able to unplug a bit this Summer and make some lasting memories with family and friends. Post-Labor Day, the kids are back in school, the days begin to shorten, football season gets going, and the NIRI Orange County Chapter kicks off a new program year.

In between our own Summer fun, your Chapter Board has been busy working on another year of programming. Coming off of our very successful 2018-2019 year that culminated with our 30/50 anniversary event several weeks ago, the Board is hard at work on several programs that will carry us through the end of 2019 (see below for a glimpse of what's in store). As always, our programs

are developed for the purpose of keeping you current with changes in our profession, while providing opportunities for professional development and networking. Please be sure to make every NIRI Orange County event a priority in your busy schedule. You'll be glad you did!

Thank you for your continued support of the NIRI Orange County Chapter. As always, the Board and I welcome your feedback and ideas.
